Appendix I
(Refer Regulation 4 & 5)

A SCHEDULE is annexed regarding, "SPECIFIED DISABILITY" clause (zc) of section 2, that states as under,

1. Physical disability

- A. Locomotor disability-** (a person's inability to execute distinctive activities associated with movement of self and objects resulting from affliction of musculoskeletal or nervous system or both), including—
- (a) "leprosy cured person" means a person who has been cured of leprosy but is suffering from—
 - (i) loss of sensation in hands or feet as well as loss of sensation and paresis in the eye and eye-lid but with no manifest deformity; (ii) manifest deformity and paresis but having sufficient mobility in their hands and feet to enable them to engage in normal economic activity; (iii) extreme physical deformity as well as advanced age which prevents him/her from undertaking any gainful occupation, and the expression "leprosy cured" shall construed accordingly;
 - (b) "cerebral palsy" means a Group of non-progressive neurological condition affecting body movements and muscle coordination, caused by damage to one or more specific areas of the brain, usually occurring before, during or shortly after birth;
 - (c) "dwarfism" means a medical or genetic condition resulting in an adult height of 4 feet 10 inches (147 centimeters) or less; (d) "muscular dystrophy" means a group of hereditary genetic muscle disease that weakens the muscles that move the human body and persons with multiple dystrophy have incorrect and missing information in their genes, which prevents them from making the proteins they need for healthy muscles. It is characterized by progressive skeletal muscle weakness, defects in muscle proteins, and the death of muscle cells and tissue;
 - (e) "Acid attack victims" means a person disfigured due to violent assaults by throwing of acid or similar corrosive substance.
- B. Visual impairment—**
- (a) "blindness" means a condition where a person has any of the following conditions, after best correction— (i) total absence of sight; or (ii) visual acuity less than 3/60 or less than 10/200 (Snellen) in the better eye with best possible correction; or (iii) limitation of the field of vision subtending an angle of less than 10 degree.
 - (b) "low-vision" means a condition where a person has any of the following conditions, namely:
 - (i) visual acuity not exceeding 6/18 or less than 20/60 up to 3/60 or up to 10/200 (Snelling) in the better eye with best possible corrections; or (ii) limitation of the field of vision subtending an angle of less than 40 degree up to 10 degree.
- C. Hearing impairment –**
- (a) "deaf" means persons having 70 DB hearing loss in speech frequencies in both ears;
 - (b) "hard of hearing" means person having 60 DB to 70 DB hearing loss in speech frequencies in both ears;

- (c) "Speech and language disability" means a permanent disability arising out of conditions such as laryngectomy or aphasia affecting one or more components of speech and language due to organic or neurological causes.

2. Intellectual disability-

a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem solving) and in adaptive behavior which covers a range of every day, social and practical skills, including—

- (a) "specific learning disabilities" means a heterogeneous group of conditions wherein there is a deficit in processing language, spoken or written, that may manifest itself as a difficulty to comprehend, speak, read, write, spell, or to do mathematical calculations and includes such conditions as perceptual disabilities, dyslexia, dysgraphia, dyscalculia, dyspraxia and developmental aphasia;
- (b) "Autism spectrum disorder" means a neuro-developmental condition typically appearing in the first three years of life that significantly affects a person's ability to communicate, understand relationships and relate to others, and is frequently associated with unusual or stereotypical rituals or behaviors.

- 3. Mental behavior-** "mental illness" means a substantial disorder of thinking, mood, perception, orientation or memory that grossly impairs judgment, behavior, capacity to recognize reality or ability to meet the ordinary demands of life, but does not include retardation which is a condition of arrested or incomplete development of mind of a person, specially characterized by sub-normality of intelligence.

4. Disability caused due to-

- (a) chronic neurological conditions, such as— (i) "multiple sclerosis" means an inflammatory, nervous system disease in which the myelin sheaths around the axons of nerve cells of the brain and spinal cord are damaged, leading to demyelination and affecting the ability of nerve cells in the brain and spinal cord to communicate with each other; (ii) "Parkinson's disease" means a progressive disease of the nervous system marked by tremor, muscular rigidity, and slow, imprecise movement, chiefly affecting middle-aged and elderly people associated with degeneration of the basal ganglia of the brain and a deficiency of the neurotransmitter dopamine.
- (b) Blood disorder—(i) "hemophilia" means an inheritable disease, usually affecting only male but transmitted by women to their male children, characterized by loss or impairment of the normal clotting ability of blood so that a minor wound may result in fatal bleeding; (ii) "thalassemia" means a group of inherited disorders characterized by reduced or absent amounts of hemoglobin. (iii) "Sickle cell disease" means a hemolytic disorder characterized by chronic anemia, painful events, and various complications due to associated tissue and organ damage; "hemolytic" refers to the destruction of the cell membrane of red blood cells resulting in the release of hemoglobin.

5. **Multiple Disabilities** (more than one of the above specified disabilities) include deaf blindness which means a condition in which a person may have combination of hearing and visual impairments causing severe communication, developmental, and educational problems.
6. Any other category as may be notified by the Central Government.

Note: Any amendment to the Schedule to the RPWD Act, 2016, shall consequently stand amended in the aboveschedule.

RESOLUTION

No. ME-II-MISC-0008-2019 25829 /H, Date 17-10-19

Sub: Execution of Bond by candidates, while taking admission to different Diploma courses in the State.

Where as there is a dearth of doctors in the State and there is a reluctance to serve the State after completion of course amongst the doctors studying in different Government Health Institutions at the cost of State exchequer, in order to overcome the dearth, Government after careful consideration have been pleased to introduce a policy for execution of an agreement in shape of Bond with the objective to retain the passing out Diploma doctors to utilise their services in the greater interest of the State.

This resolution will be applicable from the date of notification.

1. The Bond conditions shall be as follows:

- a. Bond shall be applicable for all candidates taking admission in Government Health Institutions, for PG Diploma Courses.
- b. No admission of any kind shall be done without submission of Bond and shall be ensured by DHS, Odisha.
- c. After completion of any of the above courses, the candidates shall have to serve in any health institution of the state, for five years.
- d. After completion of five years of service as per bond provision, the doctors will be released from bond condition.
- e. In case a candidate gets opportunity for higher study immediately after completion of course, the bond ceases to operate and will come in to force after return from study. They shall submit a declaration in form of affidavit before JMFC as per format enclosed in **Appendix-1**, to that effect. In such cases the Pass certificate and CLC shall be released. Copy of such affidavit shall be sent to DHS Odisha.
- f. Monetary Penalty for defaulters (for not serving in state for five years after completion of course) shall be double the amount of salary received during study period. The Pass Certificates, College Leaving Certificate or any other certificate in custody of authority shall be retained and will be released only after compliance to the provisions in bond.

P.T.O.

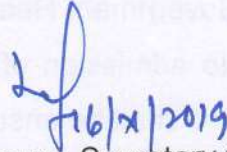

- g. Candidates leaving the course before completion of the course leading to lapse of a seat shall be liable for monetary penalty of Rs. 8 lakh and the amount of salary received by the date of such leaving the course.

2. Procedure for execution of bond and its follow up:

- a. The bonds are to be prepared on non judicial stamp paper of Rs. 21 and will not be registered.
- b. The bond should be signed by the candidate, two sureties (parents / guardian) and the DHS Odisha.
- c. Bonds shall be collected centrally at the time of document verification by the selection committee.
- d. All the candidates shall submit the bond in the format annexed at Annexure - A. as per FDOM 6874/F, dated 20.02.1996

ORDER: Ordered that this resolution shall be published in the next issue of Odisha Gazette for general information.
